

MBNA AMERICA CHRISTIANA, DE

CLIENT: MBNA America
Wilmington, DE 19884
J. Gregory Ellis, V.P.

DESCRIPTION:

Apex Engineering Incorporated compiled various exhibits of the proposed site layouts of the office and warehouse facilities, performed a topographic survey of the existing office, parking lot and existing stormwater management basin, and prepared a topographic plan. The project also entailed the preparation and submission of various Exploratory Sketch Plans, Record Resubdivision Plans, Landscape Plans, Lines and Grades Plans, Storm Water Management Reports and Calculations, and the performance of as-built surveys and plans.
