

**Ships Tavern District
South Market Street
Wilmington, DE**

CLIENT: SBER Construction Company
1040 Hull Street
Baltimore, MD
Andy Powell

COMPLETION DATE: 2002

DESCRIPTION:

Apex Engineering Incorporated completed utility, topographic, and ALTA surveys of the Ships Tavern Historical Rehabilitation, Residential and Commercial Retail spaces. A site construction plan showing the site improvements was prepared and survey layout and contract administration was also provided during the construction phase of the project.
