**COMPLETION DATE:** 1998

**DESCRIPTION:**

Apex Engineering Incorporated prepared the site design plans for a gymnasium/athletic complex addition that consisted of two new basketball courts, a wrestling facility, locker rooms, storage equipment rooms, and staff office space. Professional services included performing a topographic survey of a portion of the site in the area of the additions, parking lot, and stormwater management design. The project also included the preparation of a record minor land development plan for the 38,000 square foot addition, lines and grades, and erosion and sediment control plan, and entrance/exit plans.
